Des Moines, Iowa 50319

Re: Letter of Intent, ISICS Access

Chair Lampe:

This letter represents our official request for access to Iowa Statewide Interoperable Communications System (ISICS) as a Level 2 user, which we will explain in detail in our application.

Based on this "letter of intent," we request Iowa Statewide Interoperable Communications System Board (ISICSB) forward an application packet with documentation of specifically what our community will need to provide to further our deliberations in seeking to be granted access to ISICS.

We are providing an overview of our intended application by providing the following information:

1. County Name: Madison
2. Public Safety Disciplines expected in application, Sheriff/E911 dispatch, Emergency Management.
3. Current legacy radio system is VHF and we plan to continue using this legacy system.
4. Expected number of users of ISICS is 15.

Please forward the necessary documentation to begin our application process to:

Heidi Burhans, Auditor  
Madison County Auditor  
PO Box 152  
Winterset, IA 50273

Sincerely,

Aaron Price, Chairman  
Madison County Board of Supervisors
